- ❖ To qualify for the parishioner rate, families must be registered, contributing and active members of a supporting Catholic parish. They must meet the criteria established by their pastor for the Parishioner rate. Families must designate their parish on the Stewardship Agreement. The designated parish will be contacted regarding the families parishioner status during September of the school year. If the family does not qualify under the parish's requirements, the family will be responsible for the non-parishioner rate and their tuition may be increased at that time.
- ❖ All Cardinal Newman families are required to complete and sign a Stewardship Agreement.
- ❖ All Cardinal Newman families are required to participate in the FACTS tuition management program unless tuition is paid in full. Tuition payment options are outlined on the Tuition Enrollment Agreement.
- ❖ Students purchase their own textbooks and the cost varies depending on the class schedule. Families can expect to spend between \$400 and \$500 per year on textbooks per student.
- ❖ In order for a child to participate in summer activities such as sports camps, practices or service hour opportunities through the school, they must be completely registered, all fees must be paid and their FACTS Enrollment form must be completed.
- ❖ If tuition and/or any fees are not current at the time of midterms and final examinations, the student(s) will not be allowed to take examinations. At the end of the semester, if tuition and fees are not current, report card(s) will not be distributed until the balance is paid in full. Any balances over 60 days past due will result in the family's NetClassroom account being blocked until payments are current.
- ❖ Students withdrawing from Cardinal Newman School prior to the end of the school year are required to pay tuition for the remaining portion of the semester of their withdrawal. Transcripts will not be released until the balance is paid in full with a certified check or money order.

We have read and understand the Tuition Policy of Cardinal Newman School. We understand that failure to abide by these policies may result in our student not receiving semester grades, graduating, and/or not being allowed to return for future years.
