SCHOOL SUMMARY

Cardinal Newman School is a Catholic, college preparatory school that seeks to educate students in a challenging but nurturing environment. The campus serves the needs of students in grades 7-12, an important time of character, academic, and spiritual growth. Originally established in 1858 by the Ursuline Sisters, Cardinal Newman School was operated on the parish grounds of St. Peter's Catholic Church in Columbia as Ursuline and Catholic High Schools respectively until moving to its current location in 1962. Our goal is to help students become discerning young adults who embrace the life-long project of exploring their experiences, determining their meanings, and using those lessons to imagine how they are going to live their lives.
